Say "NO" to Senate Bill 264!

Senate Bill 264 "The Fair Share Act" is here.

NOW you need to do something about it!!

"Their Fair Share" = SERVICE FEES!!!

This bill enables "an employee organization to receive service fees from nonmembers." AFSCME supports this bill and seeks payment from all state employees who are covered by an MOU. Is that a union you want to support?!

The law in Maryland has always stated that collective bargaining negotiations **could not** include negotiations relating to the right of an employee organization to receive service fees from nonmembers as a condition of employment.

If this bill passes in 2009, that's exactly what's going to happen! The state and AFSCME will be free to require payment of service fees, and more of your money will be snatched!

ACT FAST! WE MUST PUT A STOP TO IT NOW!!
