MCEA's New Website Has Launched!

- www.mcea.org -

MCEA (the oldest and largest independent labor organization serving Maryland public employees) has launched its new and improved website. MCEA currently holds more than 10,000 public employees and retirees members and uses its legal power to advance employees' interests. At your convenience, please visit www.mcea.org.

MCEA's new website features a new professional design and easier navigation, along with a vast array of valuable resources, news and information, including legislative issues, articles, chapter/area details, membership benefits, staff/leadership directories, photo galleries and communications materials. Newsletters, press releases and flyers are available at your fingertips to be downloaded and printed, as well as listings of special promotions and calendar of events. Useful state legislative links and tips are also included.

If you would like to become a member of MCEA, you can even fill out the quick form right there on the website.

Special thanks goes out to Webmaster Christine from Studio 2529 for her expertise and dedication, as well as MCEA Executive Director David Boschert and MCEA Communications Director Vanessa DiDomenico for accomplishing this new goal.
